ShopEasy Customer Policy Handbook

1. About ShopEasy

ShopEasy is an online marketplace selling electronics, fashion, home appliances and books. This handbook explains our customer policies for shipping, returns, refunds, payments, warranty and support. It applies to all orders placed on the ShopEasy website and mobile app from January 2026.

Customer support is available Monday to Saturday, 9:00 AM to 8:00 PM IST. Support is closed on Sundays and national holidays. You can reach us at support@shopeasy.example or by calling 1800-555-0142 (toll free).

2. Shipping Policy

2.1 Delivery options

- Standard delivery takes 5 to 7 business days and costs $4.99. It is free on orders above $50.
- Express delivery takes 2 to 3 business days and costs $12.99 regardless of order value.
- Same-day delivery is available only in Mumbai, Delhi, Bangalore and Hyderabad for orders placed before 11:00 AM. It costs $19.99.

2.2 International shipping

We ship to 42 countries. International orders take 10 to 15 business days. Customers are responsible for customs duties and import taxes. We do not ship batteries, perfumes or liquids internationally.

2.3 Tracking

A tracking link is emailed within 24 hours of dispatch. If the tracking status does not change for 72 hours, contact support with your order number. Order numbers look like SE-2026-884213.

3. Returns and Refunds

3.1 Return window

Most products can be returned within 30 days of delivery. Electronics such as phones, laptops and tablets have a shorter window of 10 days. Fashion items can be returned within 15 days if tags are intact. Books can be returned within 7 days if unopened.

3.2 Non-returnable items

The following cannot be returned: innerwear, opened software, gift cards, personalised products, and perishable goods. Items damaged by the customer are also not eligible.

3.3 How refunds work

After the returned item reaches our warehouse and passes inspection, refunds are processed within 5 to 7 business days. Refunds go back to the original payment method. Refunds to credit cards may take an additional 3 to 5 days to appear on the statement. Shipping charges are refunded only if the return is due to our error, such as a wrong or defective item.

3.4 Exchange

Size and colour exchanges are free for fashion items, one exchange per order. If the requested size is out of stock, we issue a full refund instead.

4. Order Cancellation

Orders can be cancelled free of charge before they are shipped. After dispatch, cancellation is not possible, but you may refuse delivery or return the item after receipt. Cancelled prepaid orders are refunded within 3 business days. Cash on Delivery (COD) orders have no refund step because no payment was made.

5. Payments

We accept credit cards, debit cards, UPI, net banking, ShopEasy Wallet and Cash on Delivery. COD is available only for orders up to $300 and carries a handling fee of $1.50. Buy Now Pay Later (BNPL) is offered through partner banks with 0% interest for 3 months on orders above $100.

If a payment fails but money is deducted, the amount is automatically reversed within 5 to 7 business days. You do not need to place the order again.

6. Warranty

- Smartphones and tablets: 12 months manufacturer warranty.
- Laptops: 24 months warranty, including one free battery replacement in the first year.
- Home appliances such as washing machines and refrigerators: 36 months on the compressor and motor, 12 months on other parts.
- Headphones and accessories: 6 months warranty.

Warranty does not cover physical damage, water damage or unauthorised repairs. To claim warranty, upload your invoice and a photo or video of the issue in the My Orders section.

7. ShopEasy Plus Loyalty Program

ShopEasy Plus costs $29 per year. Members get free standard delivery on all orders with no minimum, early access to sales, and 2 reward points for every $1 spent. 100 reward points equal $1 in credit. Points expire after 12 months. Silver members spend over $500 per year, and Gold members spend over $1500 per year and also get priority support.

8. Common Error Codes

- ERR-4021: Payment declined by the bank. Try another card or payment method.
- ERR-4107: Coupon code expired or not applicable to items in the cart.
- ERR-5003: Delivery pincode not serviceable. Choose a different address.
- ERR-5120: Item went out of stock during checkout. The cart is not charged.
- ERR-6001: Duplicate order detected. Check My Orders before retrying.

If an error persists after three attempts, clear the app cache or contact support with a screenshot and the error code.
